About the survey

The Government of South Australia wants to build better toilets.

We want to build **Changing Places** toilets.

Changing Places toilets are bigger than other toilets. A Changing Places toilet has:

- An adult change table
- A hoist
- A non-slip floor
- Space for two carers.

This is the Changing Places toilets website - www.changingplaces.org.au

We want to know where we should put some Changing Places toilets in South Australia.

We want to hear from people with disability.

We want to hear from you before 23 September 2017.
