

Notice of a proposed suburb boundary realignment (Buckland Park to Riverlea Park)

Dear resident/property owner,

Under the provisions of section 11B of the *Geographical Names Act 1991*, the Surveyor-General is proposing to realign a suburb boundary near you, within the City of Playford.

Why is this needed?

A section of Buckland Park is being developed to become a residential, commercial and industrial master-planned community. This will include schools, commercial and retail centres, sporting and recreational facilities and open space.

The developer has provided a written submission to the Surveyor-General requesting to change the suburb name of the area being developed, to Riverlea Park. This would help differentiate the new residential development from Buckland Park's agricultural and rural identity. If approved, the Surveyor-General would realign the current suburb boundaries of Buckland Park to create the new suburb of Riverlea Park, as shown in the map over the page.

The proposed name, Riverlea Park, reflects the topography and physical attributes of the area. The suburb name of Buckland Park will be retained for those parts of the existing suburb which will remain agricultural.

The proposed change

The proposal is to rename part of Buckland Park to Riverlea Park, where a planned urban redevelopment has begun. Residents in the highlighted area would have their address changed from Buckland Park to Riverlea Park and will need to update their address.

Most people affected by the suburb renaming will be prospective or recent purchasers of residential allotments within the urban development project. However some properties just outside the area being developed may also be subject to the name change. This is so that the proposed new suburb has logical and recognisable boundaries, including Port Wakefield Highway to the east and along Carmelo Rd to the south.

Under the *Geographical Names Act 1991*, the community must be advised and given the opportunity to make submissions about proposed suburb boundary changes following a public notice. This notice was published on 28 October 2021 beginning the one month consultation and can be viewed at:

www.sa.gov.au/placenameproposals.

How can I have my say?

Submissions can be made by:

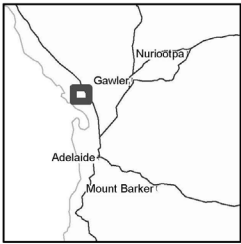

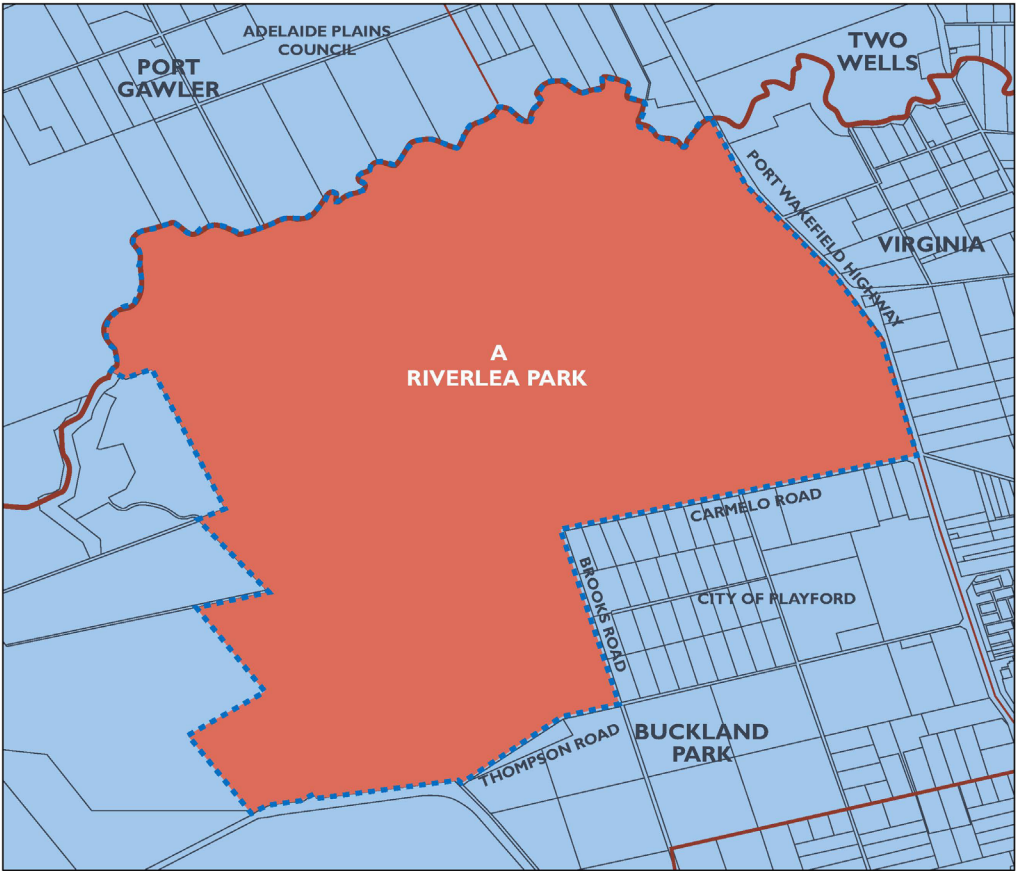

- Email: LSGPlaceNames@sa.gov.au
- Letter to: Office of the Surveyor-General, GPO Box 1354, Adelaide SA 5001
- www.yoursay.sa.gov.au/riverleapark

Public submissions close on 29 November 2021. After the public submission period, a report and recommendation will be made to the Minister, Hon Vickie Chapman MP.

Kind regards,

Surveyor-General
